

BREAKTHROUGH PLUS

A 1-Week Group Devoted to Deep Healing, Awakening, & Integration

July 21st-27th, 2013: Ashland, OR

with

ROBERT AUGUSTUS MASTERS, PhD

and DIANE BARDWELL MASTERS

Deeply effective work for those who are ready to fully face and work through whatever's obstructing their well-being with a group of kindred spirits, in the beautiful town of Ashland, Oregon.

All kinds of issues and concerns — ranging from the deepest trauma to the seemingly trivial — will be addressed through a dynamic, creative mix of psychospiritual guidance, bodywork, emotional opening, spiritual disciplines, dreamwork, and group practices.

We'll have plenty of time — a week! — for consistently deep work, plus time for spiritual deepening practices and sound healing with Diane (as well as time to enjoy Ashland's considerable natural and cultural attractions).

The group will be small, being **LIMITED TO 10 PARTICIPANTS ONLY**, so that there will be ample time for everyone to receive in-depth attention.

LOCATION & TIME: Ashland, Oregon. Ashland is nestled in the far south of Oregon, a few minutes north of the California border. The group begins Sunday July 21st at 2pm and ends Saturday July 27th at 2pm.

TUITION: US\$1800. Nonrefundable deposit of US\$500 required. Contact events@robertmasters.com to arrange payment. Full payment is due June 30, 2013.

FOOD & LODGING: This is not included in the tuition. Contact events@robertmasters.com for a list of possible places to stay.

PREREQUISITE: Previous in-person work with Robert & Diane, or with Robert in the form of at least one phone session (if you've had previous experience with psychotherapy or counseling), or sufficient work with a member of the core faculty of the Masters Center for Transformation.

REQUIRED READING/LISTENING: Robert's books *Spiritual Bypassing* and *Transformation Through Intimacy*, and audio program *Knowing Your Shadow*.

ROBERT, a relationship expert, spiritual teacher, critically acclaimed author (of 13 books), and psychospiritual guide with a doctorate in Psychology, has innovatively integrated mind, body, emotion, and spirituality in his work for the past 35 years. DIANE, Robert's wife & spiritual partner, works side-by-side in intimate conjunction with him in their sessions, groups, and trainings, contributing deeply to the work being done. She is a relationship expert, an intuitive healer and Reiki master, and a songwriter, professional singer, and sound healer. She brings great heart and insight to the work she shares with Robert.
